Introducing Huntley School's International Student Coordinators

International Marketing  
Brad and Pam Gay

International Student Coordinator  
Lyn Barnett

Huntley has a dedicated team of two staff for international students. The Headmaster, Mr Brad Gay and his wife Pam Gay oversees the programme and is involved in the marketing and overall strategic direction.

In 2010 we have employed Lyn Barnett in the role of International Student Coordinator, the accommodation coordinator as well as ESOL teacher. She is a trained teacher and also has a full counseling degree. We are very lucky to have a dedicated and trained team for internationals who have the academic and pastoral needs of the boys as their priority.

Come and join our international family.
