

# Huntley **Flexi**-Boarding

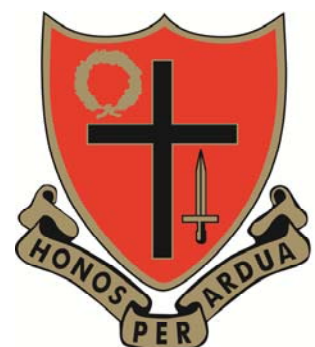

**Flexi-Boarding** is a new concept at Huntley school. It is designed to allow families greater flexibility to plan their weekends with their sons. Parents are free to visit at anytime and many come out and watch their son compete in sport or come for a Sunday picnic. It looks like this:

- Year 3-5 Parents can choose to pick their son up on Friday and return him on Monday. Effectively four day boarding every weekend.
- Year 6 Parents can pick up their son after sport on a Saturday and return him on a Sunday or Monday morning every weekend.
- Year 7-8 Boys have two Exeat Weekends and two floating leave weekends. In an average 9 week term there are 8 weekends so they are in for one out for one.

For more information and a prospectus contact the school office.
